

Concussion and Post-Concussion Best-Practice Guidelines of Care

Provided by Boston University Chobanian and Avedisian School of Medicine

FREE virtual program sponsored by the M.J. Murdock Charitable Trust and the Alaska Mental Health Trust Authority

Overview: Healthcare providers face unique challenges screening, diagnosing, and treating concussion, the persistence of concussion symptoms known as PPCS or Post Concussion Syndrome (PCS), and the neurodegenerative disease CTE caused by exposure to repetitive head impacts (RHI). Join this webinar with expert concussion, PCS, and suspected Chronic Traumatic Encephalopathy (CTE) clinician Katelynn Cataldo, NP to hear the latest best-practice guidelines of care for your patients.
