

Clinical Approach to Patients at Risk for Chronic Traumatic Encephalopathy (CTE)

October 18, 2023

Disclosure Policy:

Boston University Chobanian & Avedisian School of Medicine asks all individuals involved in the development and presentation of Accredited Continuing Education activities to disclose all financial relationships with ineligible companies. This information is disclosed to all activity participants prior to the start of the educational activity. Boston University Chobanian & Avedisian School of Medicine has procedures to mitigate all relevant financial relationships with ineligible companies. In addition, faculty members are asked to disclose when any unapproved use of pharmaceuticals and devices is being discussed.

In accordance with the Standards for Integrity and Independence in Accredited Continuing Education, all relevant financial relationships with ineligible companies that faculty, planners, authors and anyone who may be in control of content have been mitigated.

Faculty/Planners:

First Name	Last Name	Role	Disclosures

Courney	Welch	Planner	has no relevant financial relationships

Accreditation

In support of improving patient care, this activity has been planned and implemented by Boston University Chobanian & Avedisian School of Medicine and the Concussion Legacy Foundation. Boston University Chobanian & Avedisian School of Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Boston University School of Medicine designates this live activity for a maximum of **1.0 AMA PRA Category 1 Credit™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AMERICAN
PSYCHOLOGICAL
ASSOCIATION

Continuing Education (CE) credits for psychologists are provided through the co-sponsorship of the American Psychological Association (APA) Office of Continuing Education in Psychology (CEP). The APA CEP Office maintains responsibility for the content of the programs.

Credits: 1.0

Learning Objectives:

At the end of this presentation, attendees should be able to:

- Discuss the latest CTE diagnostic updates
- Describe each item in the 2021 NINDS TES Criteria for non-diagnostic considerations and screenings
- Outline 4 limitations of cognitive screening and 4 best uses of brief screening measures
- Evaluate MRI, TAU PET, CSF fluid, blood test biomarkers
- Translate clinical assessments into clinical diagnosis and therapeutic work-ups
- Describe the responsibilities of a typical memory and aging clinic's interprofessional team member roles including when and how a neuropsychologist can provide clinical insight relative to physicians and allied health staff such as neurologists, psychiatrists, physician assistants, nurse practitioners, or counselors conducting clinical assessments or biomarker testing.

Target Audience: Primary Care Physicians, Family Practice Physicians, Neurologists, Behavioral Neurologists, Psychiatrists, Neuropsychologists, Psychologists, Nurse Practitioners, Nurses, Physician Assistants. Allied health professionals welcome.

How to Claim Your Certificate:
