

Concussion and Post-Concussion Best-Practice Guidelines of Care

December 15, 2022

Learning Objectives:

At the end of this presentation, attendees should be able to:

- Recognize the signs and symptoms of a concussion
- Identify recommended concussion guidelines for use in their practice
- Show confidence in utilizing the return to play/learn guidelines with patients
- Identify the signs and symptoms of suspected CTE, have a basic understanding of the recommended clinical management of suspected CTE, and have a basic understanding of the 2021 TES criteria.

Target Audience: Nurse Practitioners and Nurses
